# INDEX of DECEDENTS

As Reported in TOMBAUGH BOOKS

## 1856 to 1920

This is an INDEX of those who died between 1856 and 1920 as found in the following TOMBAUGH BOOKS:

Fulton County Indiana NEWSPAPER EXCERPTS  
Fulton County Indiana OBITS-BIOGS  
Fulton County Indiana OBITUARIES

Those books have been compiled from several different local newspapers.

The following is an attempt to explain how to use this INDEX.

Each entry is composed of a SURNAME, FIRST NAME and possibly MIDDLE NAME or INITIAL and perhaps TITLE [e.g. Dr., Rev., etc.]; followed by the DATE of the newspaper and then a code letter which gives you the NAME of the newspaper.

[numbers following the code letter should be disregarded, for they merely reflect the page numbers of our FILE from which this index was created.]

The following shows the Code letter and name of the newspaper, along with the dates during which the newspaper was published, and finally the name of the TOMBAUGH BOOK where you will find the information concerning the decedent.
