MYSTERIOUS DISAPPEARANCE. A gunsmith, named BENSON, left Warsaw, Indiana, the place of his residence, on the 20th of August, arrived in Pittsburg on the 25th, and took rooms at the St. Charles. He purchased goods there, and had them packed ready to ship to Warsaw. On the 26th, desiring to examine a certain lathe in Allegheny, he started to go to that city, when he met a young machinist, who persuaded him to go a mile further to see a lathe of the same kind.

Nothing has since been heard from him. His baggage is still at the St. Charles. His wife and child are at Warsaw, and she is extremely anxious about him.

Charley, of the Rochester Gazette, had a son born to him last Sunday, making a little Republican gain.

On Monday last, the Machine shop of J. F. LOOMIS took fire and had it not been for the prompt assistance of the citizens the building and contents would have been consumed.

The alarm of fire on Wednesday evening last was occasioned by the rear end of the Bakery of HOPPE & FROMM taking fire. A bucket or two of water sufficed to put it out.

The name of M. L. MINER, of this place, has been suggested as a candidate for Prosecuting Attorney for the Common Pleas District for Fulton and Pulaski Counties. Mr. Miner has signified his willingness to accept if elected.

V. O'DONNELL advertises that he has on hand a stock of Watches and Jewelry, which he will dispose of at cheap rates. He is also prepared to repair Jewelry, Watches, and everything else in his line of trade. Read his advertisement and give him a call.

A. McFALL will do your house sign and other painting for you in a highly artistic style. See his advertisement and give him your business.

There has been quite a busy time before Justice BROWN, of this city, for the last two days. Several persons have been upon trial for assault and battery. But one conviction has been had-- George EMMONS, fined twenty-five dollars and costs for assault and battery on Francis BIDWELL.

In the case of the State vs Wm. EMMONS, on complaint of G. W. HOLDENS, the jury have been out over twelve hours without little prospect of agreeing upon a verdict.

Miss C. E. DINSMOOR will open a Select School Monday Sept 5th next in Wallace's Hall

The undersigned respectfully tenders his thanks to the Citizens of Rochester for their efforts to save his property from the flames on last Sunday.

But so rapid was the destroying element that besides the loss of a home, our provisions, cupboard ware, and much of our clothing, and other valuable property were consumed.

Yet there are many that are indebted to me on book account and note, that can render material service to me now. It is needless to tell you I need money. If you can't pay all, do the best you can; my loss is greater than yours if you sell your wheat at low prices to raise the money.

Go to work and raise something, and your kindness will be appreciated by I. W. HOLEMAN. Rochester, August 6, 1859.

SELECT SCHOOL. Mr. L. D. WILLARD will open a Select School in this town at the Odd Fellows Hall on Monday, August 29, 1859.

Having recently lost his property by fire, assistance from those who are indebted to him would be at this time opportune and valuable--indeed, will be absolutely necessary. The importance of a PLANK ROAD from Peru to Rochester, is conceded on all hands-- in Fulton county as well as this. The relative advantages to Fulton county of a road from Rochester to Logansport, Plymouth or Peru, we will not stop now to discuss, though we are satisfied that a comparison of such advantages would bring all interested to a decision in favor of this point over every other, should any doubt exist upon the subject.

Our object now is however, not to discuss, but to propose to our Rochester neighbors a joint meeting at a point mid way between the towns-- say at Wm. CONNER'S to consider the subject, and if thought expedient take the necessary steps to commence the work. We suggest Saturday the 17th day of September at I oclock p.m., for a meeting of delegates appointed at primary meetings held at Rochester and Peru for the purpose. What say the Gazette and Sentinel of Rochester and the Sentinel of this place? -- Peru Republican.

ROCHESTER SENTINEL - Saturday, September 10, 1859

TO OUR PATRONS.... The past year has been an uncommon hard one on all classes, and on none more so than printers.... Our paper makers, Messrs. ALDRICH, BALDWIN & CO., of Logansport, had kindly agreed to let us have paper on our promise, in order to encourage and assist us-- a new beginner. Well, we could not meet our engagement, as above stated, and they have kindly agreed to wait on us a short time for what we owe them....

Dr. MANN was duly installed Treasurer of Fulton County on Monday. The Dr. will make an efficient and accommodating officer.

MARRIED. -On Saturday, 3rd inst., by Rev. T. S. WEBB, Rev. Frank TAYLOR, Pastor of the Methodist Church, and Mrs. Lucinda SPOTTS, all of this place....

-On Thursday, 8th inst., by Geo. W. TRUSLOW, Esq., Leonard W. STOGDILL and Miss Samantha THOMAS, all of this county.

This is the first opportunity the Squire has had of tying the Hymenial knot. Squire T. tells us that it was positively hard, on the above occasion, owing to the short time he was allowed to prepare, for him to compose his feelings and perform the ceremony just to his liking. Better luck next time, Squire.

(Sheriff's Sale) ... Monday, October 3. 1859, to satisfy order in favor of Frank B. LOOMIS and against John W. WRIGHT. William OSGOOD, Sheriff.

ROCHESTER SENTINEL - Saturday, September 17, 1859

A RAILROAD. The project of a Railroad instead of a Plank road, from this place to Peru, seems to meet the hearty approbation of all interested. We are confident it will cost no more to grade and furnish ties for a railroad, than to grade and plank the same distance.-- What will you do for us, Peru?

The first indictment under the new liquor law was tried before Squire TRUSLOW, on Friday- - Chas. BAKER was found guilty of selling the ardent in a style not approved of by said law, for which he was mulct in the sum of five dollars. On motion of his attorney, N. G. SHAFFER, Esq., he was granted a new trial.

E. J. DAME & CO., open an immense stock of Jewelry tonight at V. O'DONNELIS Shop. The stock must be disposed of, and you can get what you want cheap.

MARRIED. On Wednesday, 14th inst., by Geo. TRUSLOW, Esq., Mr. Austin McFALL and Miss Sarah M. LAWHEAD.

(Estray Marc)... taken up by Henry HAINBAUGH, residing in Newcastle township.... Joseph DAVIS, Clerk Fulton Circuit Court.

ROCHESTER SENTINEL - Saturday, September 24, 1859

Notice is hereby given that there will be a meeting of the ROCHESTER FIRE COMPANY at the Court House, on next Monday Evening, for the purpose of perfecting their organization by signing the Constitution, and reporting the same to the Trustees of the town of Rochester and receiving certificate of membership of said Company. A full attendance is expected. K. G. SHRYOCK, Secretary of the Company.

The Common Pleas Court (Logansport) has been in session there for several days. The journal says the proceedings were devoid of interest, until Tuesday, when the revised code was put in practice. An attorney named DYKEMAN and the judge failed to agree upon the manner of conducting a case. The Judge intimated or said that the attorney "pettifogged," whereupon the attorney filed a "reply" to the effect that the Judge was a liar. The Judge fined Mr. Dykeman \$1,000, and immediately adjourned the Court, left the bench and proceeded to choke the attorney....

There seems to be a mania for fighting among the civil functionaries along the Wabash. Our worthy Prosecutor, MINOR, and Constable CHINN had a round at fisticuff the other day-but, we are happy to add, no serious damage was done to either party.

The PLANK ROAD Meeting at CONNERIS yesterday, adjourned to meet in the latter part of October.

The citizens of Logansport held a meeting last night, and appointed delegates to attend a meeting at Fulton today at 1 o'clock.

DIED. On Wednesday, September 7th., Cornelia Eveline [DAVIS], infant daughter of J. J. and M. S. DAVIS, aged 15 months and 22 days.

(Estray Mare) ... taken up by A. M. TROUTMAN, residing in Union township,... J. J. DAVIS, Clerk Fulton Circuit Court.

NOTICE. Is hereby given that the Partnership heretofore existing between Charles J. STRADLEY and Jonathan DAWSON, under the name and firm of STRADLEY & DAWSON, is this day dissolved by mutual consent ... The Book Account is in the hands of Dawson, and the Notes will be found with Stradley. STPADLEY & DAWSON, September 20, 1859.

ROCHESTER SENTINEL - Saturday, October 1, 1859

Large delegations from Rochester, Peru and intermediate points met at CONNERIS on Friday, Sept. 25th., pursuant to previous notice, to enter into some arrangement to construct a PLANK or RAILROAD from Rochester to Peru. The meeting was large, and a great deal of interest manifested... On motion of J. W. TYNER, Esq., of Peru, D. R. PERSHING, Esq., of Rochester, was called to the chair. On motion, J. W. TYNER, Esq., of Peru, and W. W. SHULER, Esq., of Rochester, were appointed Secretaries.

J. B. FULWILER, Esq., of Peru, offered the following resolution: Resolved, That it is expedient to construct a Plank road from Mexico to Rochester. K. G. SHRYOCK, Esq., of

Rochester, offered the following as an amendment: Resolved, That it is expedient to construct a Railroad from Peru to Rochester.

Mr. FULWILER spoke at length in favor of a Plank Road as the only road that could at present be constructed, and endeavored to show that a Railroad could not be built from Peru to Rochester, except at an enormous expense, which, he urged, could not possibly be raised at the present time.

Messrs. SHRYOCK, PERSHING and SMITH expressed their views, and stated that Fulton county would only be satisfied by giving them a Railroad; and that a Railroad they must have-- and if not built from Peru, they would endeavor to get one from Plymouth.

Mr. GRAHAM, of Peru, moved to lay the amendment and resolution on the table-- Agreed to.

On motion of Mr. FULWILER, a Committee of Conference was appointed, consisting of J. A. GRAHAM, W. SMITH and FULWILER, of Peru, and K. G. SHRYOCK, John ELAM and A. F. SMITH, of Rochester.

On motion of Mr. FULWILER, a Committee of five was appointed to draft articles of Association for either a Plank or Railroad Company, as may be agreed upon, to be submitted at the next meeting-- consisting of Messrs. CONNER, FULWILER and BEARS, of Miami, and LAWHEAD and SHULER, of Fulton.

On motion, the meeting adjourned to meet at the same place on Saturday, October 30th, 1859. D. R. PERSHING, Pres't; J. W. TYNER, W. W. SHULER, Secys.

COUNTY FAIR. On the 14th and 15th of October will be held the third annual Fair of the FULTON COUNTY AGRICULTURAL SOCIETY

A number of our business men visited Fulton last Saturday, expecting to meet a delegation from Logansport, ready to make some arrangement in regard to a Plank Road. No delegation came, and nothing was done. This lack of interest on the part of the business community of Cass county will be sure to tell against them.

Thomas POWELL advertises his readiness to furnish gravestones, tablets, monuments, etc., etc., in a superior style of finish, and at low rates. Hugh BOWMAN is his agent in Fulton County.

Robt. WALLACE gives notice that there will be a Cotillion Party at his Hall on Friday evening, the 14th of October. A large gathering of the devotees of Terpsichore is anticipated.

(Sheriff's Sale) ... Saturday, October 29, 1859, to satisfy order in favor of Noah GOUDY and Washington GOUDY and against Charles REMENSCHNEIDER and Louisa REMENSCHNEIDER. Wm. OSGOOD, Sheriff.

ROCHESTER SENTINEL - Saturday, October 8, 1859

CHANGE. The new store room of I. W. HOLEMAN is completed. It is one of the neatest finished business houses in the place, and adds much to the appearance of our town. Mr. H. has been east during the past two weeks laying in a stock of goods to fill it. He will let the citizens of Fulton know when they arrive.

The firm of STRADLEY & DAWSON has dissolved. Mr. Dawson, we believe, continuing business at the old stand.

We understand that Mr. Stradley intends fitting up the room formerly occupied by Mr. Holeman, for the dry goods trade. The carpenters are already at work.

While in Peru the other day, we visited the Sentinel office and found our old preceptor Charley RICHARDS, hard at work, as usual, looking none the worse for wear-- we did notice a few gray hairs-- although he has foremanized in the Sentinel office for twelve years. We had not

seen Charley for nearly four years, and it did us good to shake his honest hand. May Time ever touch you gently, Charley.

FOUND. About three months since, my children, while on their way to school, found a Pocket Book, containing two dollars and fifty-five cents FRANCIS F. FREIDGEN, Sept. 20, 1859.

CASS COUNTY FAIR. We are informed that this Society never had a more attractive or successful Fair than the one just closed.

Fulton county was well represented, and carried away its share of premiums. It affords us pleasure to be able to state that Samuel HEFFLY received the red ribbon for the best farm wagon; Jas. HINEY, the red for the best pair of mules, and WARD'S boys also received the red for the fastest horse.

The ROCHESTER BAND performed in public for the first time yesterday. Considering the short time they have practiced, and without a teacher, they acquitted themselves well.

PEORIA ROAD - FIRST TRAIN. We had the honor of a ride upon the first train west from the Depot, on Tuesday last. A locomotive with five cars passed along Canal and Duret streets, and over the new bridge at the point. The load was made up of iron and ties, and was very heavy. The bridge stood the test without the least giving of any part of it, and has been passed continually since with safety.

The iron is now down two miles from the bridge, and is going west as fast as a heavy force of men can lay it. The connection will be made by the 10th or 15th of November. --Logansport Journal, 22nd.

DIED. On Friday the 6th inst., of Consumption, in the 20th year of her age, Helen Mar [STAILEY], daughter of John H. and Sarah STAILEY.

Her funeral will take place tomorrow, Sunday, morning at 11 o'clock.

One year ago the youth of Rochester were called to mourn the untimely loss of one of their beloved and cherished companions by the same disease; and now another loved one has been summoned from our midst.

The gentle and estimable Ella STAILEY is dead!

Though it was thought, from the nature of the disease that her frail form could not long bear up under it, the announcement will be received with sincere tears and regret by her many friends and acquaintances-- old and young.

During a protracted and painful illness she suffered with an uncomplaining fortitude truly heroic. All hoped-- alas! hopelessly-- that she might see the violets bloom again-- that the soft south wind would give new life and vigor to her exhausted frame. But He, who doeth all things well, took her home, where no rude or chilling blast can come. The daisies and violets of early spring shall deck the grave of a loved and lost one.

While pausing over her cherished dust, we recall the many virtues, the truth and loveliness once associated with it; we look thence into the future, where all sweet impulses shall be in perfect and perpetual bloom; and we contrast the life of long-suffering meekness, that is closed, with the life that is to come, dimly seen, far away, by the "delectable mountains," and know that it is well.

Long will she be missed by those who knew and loved her....

RAILROAD MEETING. On Thursday evening last quite a number of our citizens assembled at the Court House, and were addressed by Mr. GLEASON, who has been connected with the Cincinnati, Peru & Chicago R.R., as Engineer on this line. Mr. Gleason seems to think that the completion of a Railroad from Plymouth to Peru is far from being impossible. His plans for its construction are 1st. The formation of a new Company, and the purchase of the road bed, and right of way, from the old Company. 2d The construction of a cheap road instead of a first class thoroughfare, as formerly proposed from Plymouth to Peru. He estimates the cost of construction ready for laying the track, including bridges and ties at \$70,000, and thinks there would be no difficulty in securing the iron, and the completion of the road after it is made ready for track laying, by mortgaging the Road. This has generally been true of all other roads. Mr. Gleason is a candid man and we doubt not states facts, or at least conclusions of a candid practical mind. The meeting was also addressed by Mr. FULWILER, of Peru, but we have not room for further comment this week.

Prof. BAKER will open a writing school in Wallace's Hall on Monday evening. The public are invited to attend. We have examined specimens and consider them highly meritorious.

SAD CASUALTY. We learn that the oldest son of Benjamin GIFFORD, of Green Oak, in this county, about seven years old, was drowned by falling into a well in that place, on last Saturday afternoon. A number of children were around the well and this boy stepped upon a plank of a loose platform which served as a trap door to precipitate him into the well, and falling after him inflicted a severe wound on the head. When taken from the well life was extinct.

On the receipt of the news of LINCOLN'S NOMINATION the Republicans of our town commenced swelling.

One of the old banners of 1856, containing at least sixteen stars, was hoisted at the mercury office. About twenty boys assembled at the Court yard and discharged quite a number of small cartridges, and an attempt was made to get up a crowd by throwing fire balls, but the enthusiasm vanished in spite of all the efforts of the mercury man and his correspondent.

Dr. E. N. BANKS, of Millark, has been appointed by Hon. E. G. ENGLISH, Deputy United States Marshal to take the Census of Fulton County. Mr. Banks is a sound Democrat and well qualified for the position.

Posters have been diligently circulated during the present week, calling on all in favor of "land for the landless" to "rally" tonight, and carry a tallow-dip, in honor of "the man who can split rails and maul Democrats." This Lincoln is the same individual who received a "mauling" at the hands of one Douglas, two years ago, and who in all probability will be chosen to give him his presidential mauling.

ROCHESTER SENTINEL - Saturday, June 16, 1860

The TEMPERANCE PICNIC held last Saturday at the Fair Ground, according to previous announcement, passed off pleasantly. Of the speeches we were unable to speak, not having heard them. The Mexico and Rochester Brass Bands enlivened the intervals with soul stirring strains, and the Glee Club, under the direction of Prof. MONTGOMERY, added greatly to the occasion. We do not know that there was any more than the usual number of quiet strolls through the shady grove, or any more tender speeches made than on similar occasions, but all seemed happy.

The citizens of our quiet town were much surprised, on last Sabbath evening, to learn that the house of Henry E. BOHLS, residing three miles east of this place, was robbed of some \$980,

during the absence of the family at church. There has been an effort on the part of the neighbors of Mr. Bohls to track the thief, but all endeavors in that direction have failed thus far. The money was American gold, and was deposited in a chest of clothes, the house was closed, the door being secured (as was supposed) by a padlock. When the family returned from church at one o'clock, the staple of the lock was drawn, the clothing from the bureau drawers and the chest were strewn about the floor and the money missing.

HON. HUGH MILLER (editorial)

The Democratic Senatorial Convention, which met near Perrysburg on Saturday last, to nominate a candidate for Senator for the district, composed of the counties of Miami and Fulton in the nomination of Judge MILLER for that important position, made a most wise and fortunate selection. Judge Miller is one of the oldest settlers of Fulton County, and in his long and popular career, has filled many important and responsible positions with great ability and the most strict integrity.

He has been Schoolmaster, County Surveyor, a member of the Constitutional Convention, a Judge of the Court of Common Pleas, a member of the Legislature and Senator.

As an evidence of the Judge's popularity, we will mention that in 1856 he beat his Republican competitor for Senator when the district had a Republican majority of about 500.

Always a stern and unflinching Democrat, the leaders of the opposition have recoiled in dismay from entering the lists in controversy with him.

Always a true and devoted advocate of the interests of the people there is not a stain upon his political record and he justifies in his life the sentiment of the poet that "An honest man is the noblest work of God." Plain and unassuming, yet affable and familiar, he wins the hearts of all by his uniform courtesy, and his kindness and benevolence has sent rejoicing to many a poor man's household.

Although several other gentlemen were spoken of as candidates before the convention for the office of Senator, who are excellent men, and if nominated would have made a strong race, they generally yielded their claims and the Judge was nominated by a unanimous vote of the two counties.

The people have in Judge Miller a candidate in whose hands their interests will be entirely safe, and we predict for him a triumphant election.

DIED. On the first inst., in Rochester, of Consumption or hemorrhage of the lungs, Lucinda B. [ROBBINS], consort of Dr. A. H. ROBBINS, aged 29 years and 9 months.

She was the daughter of David and Leah SMALL-- was joined in marriage with her now bereaved companion some nine years ago. She professed the Christian Religion and united with the Methodist Episcopal Church, while she was yet a girl. Hence, though summoned to the spirit land ere her sun had reached its summit, looking to the hour and spot where love Divine first found her, she would see that years had passed away, and could say with the poet: Through many

dangers, toils, and snares I have already come.... she manifested considerable emotion, but then to bid adieu to companion and little daughter here, was only to be introduced to her three babes that had gone before. She lingered until the evening of the 1st inst., when suddenly and unexpectedly she passed away-- ceased to breathe on earth-- to live in Heaven. Her funeral was attended by a large circle of friends. There were eyes moistened that seldom weep. She was an affectionate companion, socially reserved, yet cheerful, as a Christian timid, yet firm, such an one as none knew but to respect and love. May we meet her in Heaven. -- F. TAYLOR.

ROCHESTER SENTINEL - Saturday, September 1, 1860

A. H. ROBBINS and S. S. TERRY, Candidates for Representative of Fulton County, will address their fellow citizens at the following times and places - - - - .

On Thursday night last the ever active Democracy of Henry township held one of their old fashioned meetings at Sheet's School House. Dave ZARTMAN was there with all his assistant drummers and fifers, and the BELTS -- who does not know the Belts, with their shrill fifes, and thundering drums, who can, when called on in the old Democratic cause, make more noise in the world than almost any other set of fellows of their size? The Belts were there, and besides them all the Democracy of the "region round about." The spacious house was jammed full and the windows blocked by the crowd outside. N. G. SHAFFER and Dr. E. N. BANKS addressed the meeting. Nels was in good trim, and held forth for near two hours to one of the most attentive crowds ever addressed. Dr. Banks followed in a pertinent and forcible speech, eliciting much applause from the audience. The meeting broke up with three deafening cheers for the Democracy of the Union, and the thunder of the martial bands in their progress homeward made the woods echo for miles around. Hurrah for Henry Township!

There is to be a grand Ball at Wallace's Hall on Monday Eve., which promises to be the ball of the season. It is to be an affair in which all may participate, without regard to political proclivities. The Peru String Band will furnish the music and Prof. BARNETT "does" the supper....

ROCHESTER SENTINEL - Saturday, September 29, 1860

C. W. MUGG, the late able and independent editor of the Northern Indianian at Warsaw has commenced a new paper in that place and calls it the Experiment. Mr. M. is an excellent political writer, and the Indianian under his management was decidedly the best Republican paper in the State, but he appears to have been too independent, and too well aware perhaps of his own worth to become a tool of the miserable clique of small beer politicians who rule the Republican party in that benighted county.

Levi M. MONTGOMERY has been duly nominated by the Democracy of Richland for Assessor of that township.

.... With deference to the opinions of the voters of the other counties of this district we would propose Alphonso A. COLE, Esq., of Miami County, as a candidate for the Judgeship. Mr. Cole is a lawyer by profession, a farmer by occupation; having the reputation of a first class counsellor and able jurist, and a man who, we believe, would discharge his duties, if elected, with fidelity, and credit to himself, and to the District generally.

We hope the Peru Sentinel, Logansport Pharos, and other papers of the district will express their opinion upon the subject.

Since the above was written we have received the following announcement in the Pharos:

"Judicial-- A. A. COLE, Esq., of Peru, is a candidate for Common Pleas Judge in the District composed of Cass, Miami, Fulton, Kosciusko and Wabash. He has legal talents of a high order, and men of all political parties say he will make an excellent Judge and should be elected. He will be, if the people want the best man."

I would say to those interested that by seeing me in person at Millark, six miles east of Rochester, I can put them in a way of having the deaf, dumb, blind, and insane cared for at our Institutions at Indianapolis free of charge. E. N. BANKS, Assistant Marshal.

We have always considered sorghum a bore; but must confess that the specimen left at our office by Alphonso DREW is very nice-- really a success.

ROCHESTER SENTINEL - Saturday, October 20, 1860

The dwelling house a mile east of town, occupied by Rev. F. TAYLOR, who is absent attending Conference, came near being destroyed by fire on Tuesday inst. It appears that a little son of Mr. Taylor's having possessed himself of a lot of matches crawled through the scuttle, and groped his way to the east wing of the building, where he proceeded to amuse himself by setting fire to wasp's nests. He soon succeeded in demolishing a number of nests, and setting the roof on fire, whereupon he hastened down and informed the family that he guessed the house was afire. The flames were by this time issuing from the roof, and no men being on the premises, it devolved on women to subdue them. To the presence of mind and intrepidity of Miss Nank. AULT is due the safety of the building. She, with the utmost difficulty, succeeded in clambering to the roof with a bucket of water, and partially subduing the fire, but it required the application of several buckets of water to extinguish it entirely. It was a providential escape.

Pursuant to the adjournment on the previous evening, the citizens of Rochester who were interested in the opening of the RAIL ROAD from Peru to Plymouth, met at the Court House, on the evening of Friday, March 16, 1860. When, on motion of I. W. HOLEMAN, A. J. HOLMES

was called to the chair, and S. KEITH was appointed Secretary. Short but spirited addresses were made by L. J. BROWN, I. W. HOLEMAN and K. G. SHRYOCK, Esqrs., setting forth the importance of having the road speedily opened, and showing in clear and hopeful terms that the thing can be done, if the citizens will only make "a long pull, a short pull, and a pull all together." Mr. GLEASON then came forward and stated substantially the plan which he had presented on the previous evening.

K. G. SHRYOCK then offered the following resolution which was unanimously adopted:

Resolved, That we will hold a meeting at the Court House, in Rochester, on the 11th day of April, 1860, at 1 o'clock, p.m., for the purpose of organizing a Company to construct a Rail Road from Plymouth by way of Rochester, to Peru, in Miami County, and that notice of such meeting be given in each of the papers published in this County....

POTTOWATTOMIE MILL. This mill is both an honor and an ornament to our town and county. It is decidedly the best Mill in this part of the country, and no better water power in the State. The mill property with the improvements cost about \$22,000. Had we a few more such enterprising gentlemen as Mr. A. F. SMITH our Town and County would present a different aspect, and business that is now drawn from us for want of improvements, such as Mills, Woolen Factories, Forges (when we have the best Ore in the country) would at once give to many employment who are now idle.

We are aware that we need an outlet by Railroad, but much might be done that would be of interest to the community without such outlet. When we have men who do make such improvements as are a lasting benefit to the community the projectors of such improvements should be liberally patronized.

Mr. Smith has of late made some additional improvements to his merchant mill, and is now ready to grind, for toll, Wheat, Corn, Rye, Buckwheat, &c., and as for the flour made at the Pottowattomie Mill we can speak from experience when we say there is no better flour made in the country; if there is we should like to see a sample and we will notice it.

The Republicans of Henry Township met at Akron on Saturday evening, March 24th, at 6 o'clock, for the purpose of nominating a ticket for said Township. The meeting was called to order by electing George McCLOUD Chairman, and George BRIGHT, Secretary.

After the organization of the meeting the following ticket was nominated: Justices of the Peace, Andrew STRONG, George BRIGHT; Constables, Jacob RANNELLS, William WIDEMAN and Aaron BALL.

The business of the Convention over, S. S. TERRY, Esq., being called upon came forward and responded in a speech of half an hour's length which was listened to with marked attention, after which the meeting adjourned.

GREAT CALAMITY. Two persons were killed by lightning during the storm on Friday last, east of Perrysburg, in Miami County- - Wm. SUMMERVILLE and wife. Mr. Summerville was sitting at a window in the house and his wife some fifteen feet from him, at the fire place, combing her little daughter's head; both Mr. Summerville and wife were instantly killed. The little child who was by her mother, received a very severe shock, but her little sister, of only some 10 summers, after seeing both her father and mother dead, and her little sister evince some life, procured the camphor bottle, applied it to her little sister's nose, rubbed her face and hands for some time, and she came to. ROCHESTER MERCURY - Thursday, August 9, 1860

DIED -On Wednesday evening, Aug 1st, at 9 oclock, of consumption, Mrs. Lucinda ROBBINS, wife of A. H. ROBBINS, M.D., of this place, aged 28 years and 8 months.

-At the residence of his son-in-law, Thomas SHELTON, in this County, four miles southeast of Rochester, John JOHNSON, at 3 oclock, a.m., August 7th, 1860, aged 96 years 2 months and 24 days.

Mr. Johnson was born and raised in the State of Virginia; served in the Revolutionary War; was present at the siege of York when Cornwallis surrendered, and was perhaps the only person in our County that ever saw the face of Washington. He died in the full triumph of a living faith.

-In Henry Township, in this County, on Sunday, the 5th inst., of Congestive Fever, Justus SAFFORD, in the 34th year of his age.

But a few days ago he attended a public meeting in Rochester, and was in full vigor of health.

Mr. Safford moved from Albany City, New York, to this County, one year ago last fall. His parents, and nearly all his relatives are living in Albany, and the news of his death will be surprising and sad indeed to them. But the sad news has gone forth that death has snatched him from this wide world of care, and borne him to a happier and better clime.

Thus suddenly has a doting wife been bereaved of an amiable companion, and three interesting children of a fond and affectionate father, and a large circle of relatives and friends, and the whole society of which he was a highly esteemed member, been called to weep over the ashes of departed worth. A high order of talents, and amiable disposition, and goodness of heart, rendered him one of the bright flowers on earth, and no doubt his brilliance is increased in the spirit world. With his many friends, relatives, and brothers of the orders to which he was warmly attached, we, too, drop a tear to his memory.

-On Wednesday August 1st, of Scarlet Fever, Thomas [OSBORN], son of Thomas and Ellen OSBORN, aged about 9 years.

-On Sunday morning, August 5th, of Croup, William [ANDERSON], infant son of Geo. ANDERSON, aged 5 months.

TO WHOM IT MAY CONCERN. We whose names are hereunto annexed having been acquainted with Sarah CORNELIUS for several years past, and known to the conditions of her health with reference to her eyes, take pleasure in saying that whereas she was hopelessly blind--now she sees, and that she owes her restoration to sight to the skillful treatment of Dr. LESEUR. Her condition in life has been such, prior to the treatment of Mr. LESEUR, as to compel her to become, and remain a county charge. SUICIDE. Our Town was startled on Sunday morning last, the 9th inst., by the sad intelligence that Mr. Caleb FITZGERALD of this place had cut his throat with a razor, severing both of the external jugular veins, thereby causing his death in a short time-- supposed to have been laboring under a fit of partial derangement at the time.

Mr. F. as is well known has been subject to repeated fits of despondency for several years past, growing out of pecuniary matters, and which condition has been a source of much anxiety on the part of his family and friends requiring careful watching at such times, to guard him from committing the act, which has been finally consummated, and which has at such periods like a spectre come over his mind. Such has been the state of his mind during the preceding week, when eluding the vigilance of his family, he committed the deed which has thus terminated his life. He was known as a valued citizen of the County of which he had been an old resident.

His age was about 55 years. To his family the shock has been overwhelming, and they have the warmest sympathy of the community in their sad affliction.

She leaves seven children, all who are married but one; with a large circle of relations, both here and in Ohio, to mourn her demise. Her children were all present except one to witness her departure from earth. She had been a consistent and worthy member of the M.E. Church for many years. Her exemplary life won her the respect and esteem of all who knew her. She was calm and composed as death approached, and prepared for her silent journey as one laying down to pleasant dreams. Death for her had no terrors. She has finished her work in the militant church here on earth and has gone to take her place in the church triumphant above....

SERIOUS CASUALTY. We learn that on Saturday last Mr. William HEFFLEY had his right hand very seriously injured by the accidental discharge of his rifle. We have been informed that he was just in the act of firing at a squirrel, when he noticed that he had left his ramrod in the barrel, and attempting to remove it hastily, while the piece was cocked, it was discharged and the ball passed through his hand, mutilating it in a fearful manner....

ROCHESTER MERCURY - Thursday, October 10, 1861

DIED. Catharine BROWN FARRY, was born May 2d, 1824, in Miami County, Ohio, and departed this life April 9th, 1861.

Sister FarTy was converted to God and joined the M.E. Church Dec. 1842. Was married April 4th, 1843 to Silas H. FARRY, removed to Fulton County, Indiana, in Oct., 1849, where she finished her earthly career.

Sister Farry, through her Christian life, has been an active and influential member of the Church of her choice, adorning the doctrines of God her savior till her death. Her studious habits qualified her for usefulness in an eminent degree, and gave her an influence over her associates for good in every circle where she moved.

She was a great admirer of the peculiarities of Methodism such as the class room, and lovefeast, and had a thorough acquaintance with the doctrines and literature of the church, which she greatly admired. She has been a subscriber to and constant reader of our periodicals for many years.

But the peculiar trait in her character, was that her piety to God, which was deep and abiding. Her daily walk was a constant exemplification of the practical power of Religion, over the heart and life, she died as she lived in steadfast hope....

A husband and five small children are left to mourn, but not as those who have no hope. God comfort the bereaved, and keep them unto everlasting life. Jesse SPARKS.

ROCHESTER MERCURY - Thursday, October 17, 1861

In our hurry of our last week's issue, we neglected to mention the return of Mr. John H. STAILEY from Washington. He is looking finely; likes life in the Capital and has no fears of the rebels taking the city. He will return to Washington, with his family in a few days-

FIRE. An alarm of fire was sounded, last Saturday night, about eleven oclock. It proved to be a privy on the premises of A. HALE, Esq., which some young rascal had set on fire. It would be well for these boys to remember that three or five years of hard labor in the penitentiary would be dear pay for the amusement afforded by such a piece of rascality, and yet, if by any chance they should be detected, they would undoubtedly suffer such a penalty.

THE NEW MILITARY COMPANY. Most of our citizens are aware of the fact that for some three or four weeks past, Dr. B. A. GROVER, J. H. LEITER and Robert SHIELDS of Akron, have been recruiting for a company to form a part of Senator FITCH'S Regiment, now forming at Logansport.

From all we have been able to learn, the prospects for the company are highly flattering.... Fulton County has done well, and with three full companies in the field, as she will have when this one enters the service, we shall feel proud of her share in putting down the rebellion.

Mr. Philip YOUNG of Newcastle Township has presented us with a basket of apples of superior quality and much larger than any we have seen before this year....

ROCHESTER MERCURY - Thursday, November 6, 1861

Dr. Charles BRACKETT, who has been for sometime past an assistant surgeon in one of our Regiments in Southern Missouri, got home last night. He has been sick, but is so far recovered as to be himself again.

We notice that Mr. HEFFLEY has removed his wagon shop one door north of his old location, having devoted the whole of the former shop to his blacksmithing department....

We find the following touching tribute to our lately deceased fellow citizen, Mr. Adam PENCE, in the St. Joseph Valley Register. It is from the pen of our distinguished representative in Congress, the Hon. Schuyler COLFAX:

"Nineteen years ago, when a lad, we were going to Indianapolis on a borrowed horse, to be delivered there, to report the proceedings of the Indiana Legislature, at a compensation that just about paid for board and clothes. We stopped at the house of this good old man over night; and as, in the evening's chat at his fireside, he learned of our straitened finances, he sent us on our way rejoicing the next morning without accepting any money for our bill. Often have we talked over our first acquaintance, as we have met him in repeated canvasses since; and we have never forgotten this little act of friendship and good will. Our heart is saddened as we read that having arrived at his three score years and ten, he has passed away, and that we shall never meet him again, and we lay this brief tribute to his memory on his fresh made grave.

In pursuance of a call for aid in supplying our volunteers with sundry articles, necessary for their health and comfort, a Society has been organized under the name, ROCHESTER SOLDIERS' AID SOCIETY, and the following officers chosen: President, Mrs. A. K. PLANK, Vice Presidents, Mrs. D. W. LYON and A. J. HOLMES, Esq., Secretary, Miss C. E. DINSMORE, Treasurer, Miss C. FITZGERALD, Executive Committee, Miss D. MERRIAM, Miss Lottie McDONALD, Mrs. L. E. SHRYOCK, Mr. D. W. LYON and Mr. Robert GOULD....

The UNION SCHOOL has now been in session over two weeks.. The Board of Instructors consists of Principal, N. L. LORD. Assistants, Miss Carrie DINSMORE, Mrs. Mary P. FULLER and Miss Mary LAKIN.

There are now in attendance about 180 pupils, and the number will doubtless reach 200 before the middle of the term.

MARRIED. On the 31st ult., at the residence of Reuben TALLY, by Corydon E. FULLER, Mr. Rolla M. PHELPS and Miss Minerva A. ROLAND, all of this place....

SAD AFFAIR. Our citizens were thrown into a commotion on last Sabbath morning, by the announcement on the street, that one of our old and esteemed citizens, Caleb FITZGERALD, had attempted suicide by cutting his throat with a razor. Several of his neighbors ran into the house immediately on the alarm being given by his family, and physicians were in attendance in a few moments, but nothing could be done to stop the ebb of life, and he expired in about an hour after his fatal act was known to the family, which could not have been more than a minute or two after the act. He had been about business as usual during the week, and on the morning of the sad affair, was at his stable as usual attending to stock, but manifested low spirits and restlessness and without doubt reason was dethroned to a great extent at least at the time of the desperate act. He was about fifty-five years of age.

Her sickness was long and severe, but borne with unusual patience and submission, which none can so perfectly exhibit but those who feel that the "Sting of death, which is sin, taken away, thus she could adopt the language By request, the writer preached her funeral sermon from these words, which were her own selection the evening prior to her death:...

ROCHESTER SENT-TNEL - Saturday, April 27, 1861

We are sorry to have to state that Wm. H. DAVIDSON, Esq., met with a serious accident last Tuesday morning by which he came near losing his right hand. His team started to run, near the saw mill, south of town, and in endeavoring to stop them his hand was caught between the front wheel and a saw-log in such a manner as to tear the flesh from the palm, laying bare the bones and tendons, and inflicting a painful and dangerous wound.

Dr. CHAS. BRACKETT is enlisting a company of volunteers in this place. From present indications the Company will be full this evening. Those of our citizens who intend to enlist cannot find a more humane and careful gentleman under whom to enroll. Headquarters in the Stailey ware-house, on Columbia street.

Mr. Isaac GOOD and Dr. WHITE, request us to state that the reports being circulated to the effect that they "would trample the stars and stripes under foot," have no foundation whatever in truth....

Our late fellow-townsmen Wm. HATCH, Esq., has moved to Peru, and opened the "City Hotel," for the accommodation of the traveling public....

The Republicans held a Union meeting at the Court House, on Monday evening. The room was well filled. Speeches were made by Messrs. SHRYOCK, KEITH, MOCK, BRACKETT, LAWHEAD, etc.

OBITUARY of Thos. MARTIN, formerly a resident of this county: (From the Pacific Christian Advocate) Departed this life, Jan. 7th, near the town of Walla Walla, W.T., Thomas MARTIN, in the 46th year of his age. The deceased had been afflicted with consumption for ten years, but not for any lengthy period during that time was he confined to his bed; consequently, as is generally the case with those having that malady, he almost steadfastly entertained hopes of recovery up to a few months of his dissolution.

His parents were among the early emigrants from Ohio to Indiana, where he resided till 1852, when he brought his family to Oregon and settled successively on Shealwater Bay, at the Dalles and at Walla Walla. He united with the M.E. Church, as a seeker of religion, on Oct. 1859, upon the formation of first class in this valley, and gave evidence of a change of heart in May following. From this time he remained a consistent member until released from the church triumphant. His sufferings at times were great, but he bore them with Christian fortitude and resignation. To the writer he often declared, in substance, that he had been a great sinner; that he had a good hope of heaven; that his hope was founded upon the atonement of Christ; that God had greatly blessed him, spiritually and temperally, and that he believed God would take care of his wife and four little children. To his now grief stricken widow he said on the night before he died: "Do not sorrow for my departure, because I shall be happy in heaven. Do you not hear the music of angels? O, how sweet it is, they are in my room; they are come to convey my spirit home."

About two hours before the soul left the body he arose from his bed and expressed a desire for refreshments, which being soon furnished him he ate heartily and laid himself down again, but feeling death to be now rapidly approaching he had his children called up and then further enjoined upon his wife the duty of educating them in such a manner that they might all meet him in heaven. He then pronounced his future blessing upon them and shortly after losing the power of utterance he passed off into the presence of "The Judge of all the earth," affording another fulfillment of the saying, "Our people die well." To Father, Son, and ever blessed Spirit belong all the praise. Amen. -- C. M. BERRY, Walla Walla, Jan. 25th, 1861.

DIED. On the 24th ult., of Consumption, Priscilla [REMENSNIDER], wife of Michael REMENSNIDER, aged 23 years.

The deceased leaves a father, husband, and two children to mourn her untimely loss.

HEADQUARTERS, CAMP SULLIVAN. Aug 18th, 1861. Messrs, Editors Sentinel:.... The boys, generally, since our arrival, have been in good health and spirits, with the exception of a few cases of diarrhea, ague, dysentery, and desertion. It is needless to mention who were afflicted with the three first mentioned diseases, as they are complaints to which all are liable, and quite common in camp life, but the latter being more rare-- in fact but three cases having occurred in camp Sullivan, to my knowledge, since our arrival, I must needs mention the names of the unfortunates in order to prevent the spread of the contagion-- if it be contagious-- which I much doubt. They

are: Martin M. BOOTS, William COLE and Samuel X. BEEBER.... Twenty nine of our boys were granted leave of absence for an hour, and improved their time by a bath in White river. Capt. OBITUARY. Catharine Brown FARRY, was born May 2d, 1824, in Miami County, Ohio, and departed this life April 9th, 1861.

Sister Farry was converted to God and joined the M.E. Church Dec. 1842. Was married April 4th 1843, to Silas H. FARRY, removed to Fulton County, Indiana, in Oct. 1846, where she finished her earthly career.

Sister FARRY, through her Christian life has been an active and influential member of the Church of her choice, adorning the doctrines of God her savior till her death. Her studeous habits

qualified her for usefulness in an eminent degree, and gave her an influence over her associates for good in every circle where she moved.

She was a great admirer of the peculiarities of Methodism such as the class room, and lovefeast, and had a thorough acquaintance with the doctrines and literature of the church, which she greatly admired. She has been a subscriber to, and constant reader of our periodical for many years.

ROCHESTER SENTINEL - Saturday, November 8, 1862

EDITORIAL. Another Eruption of Spleen.

The miserable thing that runs the Chronicle is out again this week with another stream of foul abuse against the editor of the Sentinel. The editor of the Chronicle professes to be a devout and moral man. But every indication shows that he is a natural blackguard. Blackguardism is his natural element, and he can no more live out of it, than a fish can live out of water. We compelled

him to swallow a base falsehood that he perpetrated in mutilating a quotation from the Sentinel. He got mad because he had to retract his infamous lie, and forthwith proceeds to abuse us in the very lowest fishmarket style. His assertion that the Sentinel is a "secesh sheet," and all his assertions about the personal character of the editor of the Sentinel are contemptible lies.

He is a Liar of the Deepest dye and if he had not "skedaddled" out of town, on the day that his paper came out, we would have administered to him, what he so richly deserved, a good horse whipping. We know that we have our faults like other men. We do not pretend to be a Saint, like the sanctimonious hypocrite down the street, but we know one thing, we know that we are not mean enough to deprive a poor printer boy, of a part of his wages, because he left the office to enlist, and help fight for the restoration of the Union. That fatherless boy is now in the army, fighting heroically, and perhaps suffering for the want of some of the means, he was thus brutally kept out of. Yet we can procure the affidavit of more than one reliable gentleman, that they have sufficient evidence to induce them to believe that, that low lived trick was perpetrated by the low, filthy, mangy, spindle shanked, lantern jawed, slab sided, sore shinned, hip shodden, devil ridden, hound that edits the Chronicle.

In conclusion, we acknowledge that an apology is due to the readers of the Sentinel, for devoting so much space to a notice of the editor of the Chronicle. If he continues his abuse, we will be strongly tempted, hereafter, to obviate the necessity of noticing him in the Sentinel, by treating him to a sound kicking, that is, if we can find a pair of boots mean and dirty enough for the purpose, & provided the democracy will grant us absolution, for accosting such a foul abolitionist, and some competent physician will assure us that we will not catch the leprosy by coming in contact with such vile carrion.

(Compiler's Note: Most editorials have not been copied or abstracted. Generally they were of a political nature reflecting the bitterness of war time and strong opposition to the Lincoln administration, yet displaying patriotism of the people of this community. We have included in its entirety the above editorial primarily for the purpose of demonstrating the freedom of expression exercised by editors of that time. WCT)

INTERNAL IMPROVEMENTS. The business men about town, to obviate the difficulty in making change, have issued checks for sums less than one dollar. They relieve the money pressure greatly, and go readily in payment of taxes.

Dr. Theo. HORTON, Wells County, Ind., released from "Government Bastile" at Indianapolis. He is a brother-in-law of our esteemed townsman, Wm. WALLACE, Esq.

Theological debate last week at Akron, between Messrs. CORBALEY and COOPER.

Lieut. Mark McAFFEE of Capt. WOODS company 87th Reg., intends to return to his Regiment in the early part of next week. If any of the friends of the soldiers in Capt. Woods or Capt. TRUSLOW'S company wish to send them boots, socks, gloves or letters, the Lieutenant will take them along and carry them through safely if possible.

Lieut. McAFFEE has visited many families of the soldiers in the army, and has found many quite destitute, but refused to apply to the proper authorities for relief, because they had been led to believe that it reduces them to the county poor. Now this is manifestly wrong. The County Commissioners and other citizens of Fulton County have made provisions to provide for the families of the soldiers; and it is right and proper, and honorable and just in them to apply for relief whenever they may require it.

NOTICE. Charles BECKER requests those who owe him, or to whom he owes, to contact him at once, as he intends to remove to Chicago.

We found Aaron RENBARGER doing a thriving business, with any quantity of harness, saddles, &c., ready for purchasers.

PROBABLE MURDER. We learn that an inquest and post mortem examination was held on Monday last over the body of Mrs. Lucy Jane DUNN, of Newcastle Township, in this county, whose death occurred some five weeks since. FIRE! The house of Mrs. Lucy CHINN, of this village, caught fire on Wednesday of last week, and in spite of every effort of our citizens, was totally consumed, together with a portion of its contents. The wind was very strong, and fortunately in the west, or the destruction of adjoining property would have been inevitable.

The Fire Company was promptly on hand, with their ladders, buckets, &c., and did excellent service. Theirs were the only ladders on the ground, and without them the house of E. B. CHINN, which was not over six feet south of the building consumed, must have also been destroyed....

ROCHESTER CHRONICLE - Thursday, July 31, 1862

LETTER FROM DR. BRACKETT. Camp near Jacksonport, Ark., Tousall's Plantation, June 23, 1862... Hooker's men to the number of 180, fired on our boys, firing at about thirty paces, wounding thirteen, and unhorsing one private, STRONG, and Captain CAMERON.... Private Strong, disabled by his horse falling on him, was unable to walk, and after trying in vain to get on the horse with Private Joseph B. CHAMBERLAIN, who was also wounded with a ball in his left side.... he crawled off to the side of the road, when the captain of the secesh, or commander of one company, came up to him, and using insulting language, threatened to have him shot. Strong, a perfect lion for courage, snatched a pistol from him, and shot him through; this so charmed the barbarians that they took good care of Strong, and he is now safe among them, occupying a tent with Lieutenant EASTON, who is taking good care of him. How natural this is for a semi-barbarous people! They would have shot him, as they did poor PRINDLE, of Company G, some time before, if he had shown any symptoms of fear or non-resistance. They are about on a par with the clique in your place, who last season brought on a cargo of revolvers, and carried them with the avowed purpose of shooting Lincolmites, when at the same time, they were circulating through New Castle township, the absurd rumors, that Charles J. STRADLEY and I, with other Republicans, were intending to destroy the Democracy from New Castle, when they visited the town.... Charles BRACKETT.

-In this place, on the 23d inst., an infant son of R. H. CHANDLER, aged about 16 months.

-In Overton Hospital, Memphis, Tenn., Oct 7th, 1862, after a lingering illness, Sergeant J. B. WHITTENBERGER, of Co. K, 46th Regiment, Ind. Vol.

We are seldom called upon in these unhappy times, to chronicle so sad an event as the death of our young friend and fellow-soldier. Just budding into the fullness of manhood, with a strong arm and patriotic heart, at the call of his country, he gave up the pleasures and comforts of a quiet home,, and entered the army of the Union to battle for Liberty. Among his comrades kind and obliging at every call of duty prompt in the battle's front ever, brave, he won the love and esteem of all who knew him.

After many months of hard service, worn down with arduous duty, he was compelled to quit his Regiment and become an inmate of the hospital, where, after a protracted illness, he died; strong with patriotic love, and Christian hope. The body was brought home for burial, in which solemn rite quite a number of the members of his own company participated. The funeral took place from the residence of his father, Jacob WHITTENBERGER, Esq., of Akron, and a large

circle of relatives, together with the numerous friends and acquaintances of the deceased, joined in the procession. The ceremonies conducted by Rev. Mr. WOLVERTON, were impressive, and the occasion was one of deep interest.

Peace to the honored memory of the young and brave.... A COMRADE....

DIED. At Louisville, Ky., on the 29th ult, John Henry MACKEY second son of William MACKEY of this place, aged 23 years.

The deceased was a member of the 29th Regiment, Indiana Volunteers, having entered the service under Capt. COLLINS in August, 1861. He had contracted a severe cold from the hardships he was called to endure after the battle of Shiloh, and at last expired as above stated.

His remains were brought home for interment, and carried to their last resting place in our quiet cemetery on Saturday last. A large concourse of our citizens joined in the mournful procession, marching with solemn pace to the music of the drum and fife.

There let him sleep; he did his duty well, and those who knew him best will drop a tear to the memory of one, so young, who gave his life as an offering on the altar of the country he had loved.

His aged and highly respected father has the sympathies of our whole community in this sad bereavement.

DIED. At Nashville, Tenn., on the 17th of October, Thomas S. LAY, of Henry Township, aged 29 years.

Mr. Lay entered the service of his country, something more than a year ago, as a private in the 51st Ind. Volunteers. He was a man highly respected at home, and performed a soldiers duty with honor to himself, and at last fell a victim to the hardships of camp life. He had received an honorable discharge from the service, on account of physical disability, but was too far gone to reach home and died, far away among strangers, in a strange land.

He leaves a wife and two children, one an infant whom he had never seen, and the other a bright little girl just old enough to be interesting. These are being kindly cared for by his father, Mr. Joseph LAY, one of the pioneers of our county, and one of its most respected citizens. Thus his only son has perished, a victim to the mad rebellion against our government. The sympathies of every patriotic heart must be enlisted in behalf of those who mourn his untimely loss.

ROCHESTER CHRONICLE - Thursday, December 4, 1862

LETTER from Jerome CARPENTER. Camp 5 miles North of Gallatin, Tenn., November 27, 1862. Friend Fuller: In regard to the health of our regiment, I suppose it is as good as could be expected. There are several, however, who are absent from us, that I hear are not sick. I do not envy them their position. I will mention a few that I recollect, who are on the sick list. Banner LAWHEAD is tolerable sick, but is under the treatment of Dr. Vernon GOULD, and I think is much better than he was a day or two ago. He is lying in our tent, and is receiving all the attention necessary for his speedy recovery. He has the lung fever. George LOOMIS has an attack of inflammatory rheumatism and has been quite sick for several days. He was sent to Gallatin, to the hospital, this morning. Dr. Gould has been tending on him also, and thinks it may be some time before he is able for duty. James BARRETT is also at Gallatin. Lieutenant D. MOW is very poorly, and in all probability will have to resign his position, his health being so poor that he cannot stand the exposure of camp life I almost forgot to say that Lieutenant TRUSLOW has been promoted to Captain in place of Captain PLANK, and Lieut. MOW, from the 2d to 1st Lieutenant; and Orderly H. C. LONG to 2d Lieut; also in Company D, Lieut. HUGHS has been promoted to the Captancy, and Abel O'BLENNIS to 1st Lieutenant. I suppose you have heard that I was lucky enough to get the appointment of Commissary Sergeant for this regiment. This places me on the list of non-commissioned staff officers. I am well pleased with my situation, and shall endeavor by strict attention to business, to make myself worthy of the favor conferred upon me by Colonel SHRYOCK.... Yours until Death, Jerome CARPENTER, Commissary Sergt., 87th Ind. Vols.

T. F. RANNELLS, Sutler of the 87th, is at home on a short visit He is looking as well as ever, and that is saying a good deal, as he is a very good-looking fellow.

ROCHESTER CHRONICLE - Thursday, December 18, 1862

CAMP NEAR GALLATIN, TENN., Dec. 5, 1862. Dear Father and Mother: I sit down this snowy morning to inform you that I am well and in excellent spirits, especially since Lieut. McAFEE arrived here. He came last night, and we met him at the depot. It took nine of us to carry the huge sack of articles he had for us There was gloom cast over the boys of Company D, yesterday morning, by the death of one of our fellow soldiers-- James QUIGG. He died about 7 o'clock in the morning, lying in his tent, on the ground, It was a hard sight. He was perfectly crazy all night; it took three men to keep him still. The last words he said were, that he wanted us to go for Charley BRACKETT, as fast as we could. We made a box and buried him by the side of two other soldiers. James was a first rate civil boy, and was loved by all the company.

Also, John NEWBY died in the hospital at Gallatin, last week. He was a stout, rugged man when we came out.

About two hours after we had buried QUIGG, McAFEE came, and he brought a good pair of boots for him and sundry other articles; also, some things for NEWBY. It made us all feel bad to think they were not here to enjoy them.

Rufus and Clark HOLDER are at Bowling Green yet, but McAFEE says they are getting along finely....Kline S. WILSON.

T. F. RANNELLS left for Nashville yesterday morning.
